## INDUSTRY RELATIONSHIPS

**Spinifex** is an active member of the insurance industry in Western Australia and the National Insurance Brokers Association (NIBA). We work closely with specialists in a wide range of relevant fields, including claims preparation, insurance law, injury management, business interruption, OH&S, property surveying, premium funding, and associated financing.

To ensure that you always enjoy the very best cover and value, we also foster ongoing strategic relationships with more than 150 Australian and international insurers.

## COMMUNITY LEGACY

At **Spinifex**, we are proud WA locals. We feel fortunate to be part of Insurance Advisernet's enormously successful network and are always very mindful of where our prosperity comes from—the community.

The Insurance Advisernet Foundation was started in 2015 to support local organizations that work to help change the lives of individuals, families, and communities for the better. The Foundation has contributed more than \$2.5 million in the last 10 years to over 30 different charities, including many here in WA. We will continue to donate over \$400,000 each year through a variety of fundraising initiatives.

## Our Team

Our team has extensive expertise in national and international insurance markets, as well as hands-on experience in designing and managing insurance programs for our clients. We are highly respected in the local insurance market in WA and maintain solid relationships with major insurers in Australia.

We adhere to a strict code of ethics in all our activities and have strong connections with senior-level professionals. Our growing team is committed to continuous education through regular training seminars and industry updates, ensuring that we can always offer accurate, relevant, and professional advice for your business.
